## HOW TO MAKE ONE OF YOUR OWN

1. Use gel medium to adhere painty text or book paper to a small canvas panel
2. Sand the edges of the panel removing any excess paper and gel medium
3. Cut an inspirational word out of patterned scrapbook paper using the Brother® Scan N Cut
4. Adhere cut word to the canvas using gel medium
5. Splatter watercolor onto the canvas panel and let dry
6. Add marks with pens and pencils
7. Punch holes along the bottom edge of the panel (you will need a heavy duty punch)
8. Cut 8" pieces of ribbon and slip knot a piece through each hole using tweezers or darning needle to help feed the ribbon through the holes
9. Punch a hole at each of the top two corners of the panel
10. Cut a 12" piece of ribbon and slip knot each end into a hole at the top of the panel creating a hangar

## INSPIRATIONAL DOOR HANGAR

Choose a favorite & inspirational word and let it shine on this colorful door hangar.

Recycle old book paper and let the words speak too when you highlight a favorite in this colorful project.
