HOW TO MAKE ONE OF YOUR OWN

1. Cut both snap ends off of a leather wristband.
2. Mist leather with water and add a few drops of acrylic ink.
3. Tip & tilt the leather to allow ink to move around. Blow on the ink to help it fan out even farther.
4. Let dry.
5. Repeat steps 2-4 with additional colors of ink. Let dry completely.
6. Add small marks using a permanent marker to fill in any un-inked areas.
7. Punch a hole in the center of one short end of the leather strip.
8. Set an eyelet in the punched hole.
9. Use jewelry pliers to add a tassel or charm to an O-ring.
10. Attach the O-ring with charm to the hook end of the carousel clip.
11. Feed hook end of carousel clip through the eyelet and squeeze hook closed using pliers.
