By Micah Goguen

Supply List:

Grafix Dura Black Bright Film
Grafix Duralar Matte Film
Marabu Alcohol Inks (Metallic and Neon Colors)
Marabu Art Sprays
Canned air (to manipulate inks)
Scissors
Shape cutters
Cutting mat
Xacto knife
Adhesive
Stencils
Art Journal

Instructions:

Step 1: Tape your Grafix Dura Bright Black down to a working surface. Use the metallic alcohol inks and the canned air to manipulate the pattern. Allow to dry completely.

Step 2: Tape your Grafix Duralar Matte film down to a working surface. Use the neon alcohol inks and the canned air to manipulate the pattern. Allow to dry completely.

Step 3: Use scissors, shape cutters or Xacto knife to cut out shapes.

Step 4: Use the stencils to lay on the art journal page. Use the art sprays to lightly pump at least 6 inches away to create patterns on the pages. Allow to dry completely.

Step 5: Use adhesive to attach cut outs to journal page. Embellish with writing.
